## **FORT SMITH AREA MARRIAGE ENCOUNTER #4**

The Ft Smith area parishes are excited to announce plans for another Marriage Encounter to be held in Ft Smith between February and March of 2010.

### **What is Marriage Encounter?**

Marriage Encounter is a weekend getaway that helps married couples re-discover themselves as individuals and as a couple. The weekend is God centered and comes out of the roots of our Christian faith. Marriage Encounter provides an opportunity for a couple to explore their relationship together and find ways to make it more fulfilling and stronger for a lifetime.

### **How does the Weekend work?**

Guided by a team of volunteer couples, participants explore their relationship with each other, their family and society. The team couples set an atmosphere for open and loving communication. They share their own life experiences, making it easier for spouses to talk with each other. Although your conversations are private between you and your spouse, seeing other couples striving for better relationships makes it easier for you to communicate openly with each other. The weekend begins at 7PM on Friday evening and ends about 4PM on Sunday. Couples will return to their homes each evening.
